

Union Dues

Less Expensive than a Daily Cup of Coffee

Our base Union Dues are **1.4%**, cheaper than any other CLC ^ OFL affiliated Union. Dues are also **100% tax deductible**.

Union Stewards

Get Involved and Save Money

Union Stewards do a difficult and thankless job, unless you're a NOWU Steward. Our Stewards get reduced dues and pay **1.0%**.

Members +60

Pay Less When Times Are Tough

Working past the age of retirement is a must for many workers. NOWU members who are 60+ and still working pay **1.0% Union Dues**.

Scholarships

Two Kinds of Scholarships

NOWU members have 2 different scholarship opportunities. A standard \$1500 for **post-secondary** education, and a \$1500 **upgrade option** for PSW's and Nurses.

Member Cap

Our Union Reps Aren't Overwhelmed

Many Unions assign +2000 members per Union Rep. That's a surefire method for poor service. NOWU caps each Union Rep to a manageable number of **1000 members**.

Non-Partisan

Your Dues Don't Go To Politicians

Most Unions contribute a massive amount of their members dues to political parties without their consent. NOWU will never contribute money unless **voted upon**.

Contract Freeze

Your Current Conditions Are Frozen

Section 86 of the Labour Relations Act **protects** you when transferring Unions. It freezes your current contract in place (wages, benefits, pension, etc) until your new contract.

100% Canadian

All Of Your Dues Stay In Canada

Many Unions belong to US Internationals, meaning a percentage of the members money goes south of the border. NOWU Union dues will always **stay within Canada**.
